## **NEWS RELEASE**

---

### **National Challenge's Toronto Operation Certified**

**Woodbridge, Ontario – March 30, 2006.** National Challenge Systems Inc., a leader in the provision of vacuum truck services for the collection, treatment and disposal of organic and other non-hazardous liquid waste, announced today that a union certification vote was held at the Toronto facility of its wholly owned subsidiary Organic Resource Management Inc. on March 29, 2006. The majority of the approximately 25 employees at that facility voted in favour of certifying the Universal Workers Union as their representative. The Company expects to begin collective bargaining next month.

National Challenge's operations in British Columbia already have a unionized hourly labour force.

#### **About National Challenge Systems Inc.**

National Challenge is Canada's largest provider of vacuum truck services for the collection, treatment and disposal of organic and other non-hazardous liquid waste. NCS services in excess of 8,000 commercial, industrial, institutional and residential customers in Ontario, Quebec, and British Columbia. Further information about NCS may be obtained at the Company's web site at [www.nationalchallenge.com](http://www.nationalchallenge.com).

Note: Certain information contained in this press release may be forward-looking and therefore subject to unknown risks or uncertainties. The actual results, performance or achievements of National Challenge Systems Inc. may differ materially from the results, performance or achievements of the Company expressed or implied by such forward-looking statements.
