

ORMI Confirms TSX Delisting Review

Toronto, ON, April 7, 2009 – Organic Resource Management Inc. (TSX: ORI) ("ORMI" or "the Company"), confirmed today that the Toronto Stock Exchange ("TSX") is reviewing the eligibility for continued listing on the TSX of the common shares of the Company pursuant to Part VII of The Toronto Stock Exchange Company Manual.

The Company is being reviewed under the Remedial Review Process and has been granted 210 days to comply with all requirements for continued listing. If ORMI cannot demonstrate that it meets all TSX requirements set out in Part VII of The Toronto Stock Exchange Company Manual on or before November 3, 2009, the Company's common shares will be delisted 30 days from such date.

The delisting review was precipitated by the value of ORMI's listed securities falling below \$3.0 million for 30 consecutive trading days prior to the review; and the value of ORMI's publicly-traded securities falling below \$2.0 million over the same period.

ORMI management is currently reviewing the situation and evaluating various courses of action to meet TSX requirements before the end of the 210 day period.
